

# Kvarøy Arctic Women in Aquaculture Scholarship

## Global Scholarship Application Form

By completing and submitting this form, you agree that the information you provide can be shared by Kvarøy Arctic with colleagues who are jointly responsible for selecting candidates for the Scholarship.

Additionally, you hereby give Kvarøy Arctic permission to use anonymized segments of your application for the purpose of posting on social media pages (including, but not limited to: Facebook, Instagram, Twitter), Kvarøy Arctic's website, and other marketing & promotional materials to highlight the issues around gender inequality in aquaculture and the need for more opportunities for women in the industry.

### Section 1. Personal Details

First Name/s:

Last Name:

Pronouns:

Address:

Email address (We will communicate with you via email, so make sure it is accurate and you have access to it throughout the year):

Nationality:

Country of Permanent Residence (This is the country where you usually live and not the country where you are only living in for the purpose of full-time education):

## Section 2. Qualifications and Experience

1. Your academic record starting with the most recent:

Dates (years)	Institution (university, college, school)	Subject Areas

## Section 3. Eligibility and Conditions of Receipt of Scholarship Funds

1. To be eligible for the Women in Aquaculture Scholarship, you must be currently enrolled at and attending a university either an undergraduate or graduate program in an aquaculture discipline. Which degree are you pursuing and in which field related to aquaculture?
2. Should you be designated the winning applicant for the Kvarøy Arctic Women in Aquaculture Scholarship, you will receive \$10,000 in two payments: the first payment of \$5,000 will occur shortly after the announcement of scholarship recipients and the second payment of \$5,000 will occur after you have completed an internship in your home country at a date to be determined in collaboration with you and Kvarøy Arctic.

## Section 4. Financial and Personal Circumstances

1. Please briefly describe your personal circumstances.
2. How do you finance your studies?

## Section 5. Motivation and Commitment

(approx. 200 words per answer)

1. Why did you choose to study an aquaculture-related discipline?
2. How will the opportunity to complete an internship locally in your home country advance your skills and knowledge in your chosen career and contribute to the socio-economic advancement in your local region?

3. How will you engage other women and girls from your country in the field of aquaculture?

**Eligibility Criteria (please confirm)**

Criteria	Cross (x) to confirm
I am a woman currently enrolled as an undergraduate or graduate and am currently enrolled in an aquaculture-related discipline
